## **INSTRUCTIONS FOR DIVERSITY VISA APPLICANTS**

To assist in providing the most efficient customer service and to expedite your diversity immigrant visa processing, the Consular Section of the U.S. Embassy in Ankara uses a pre-appointment document screening system.

**To process a diversity immigrant visa, beneficiaries are required to courier their documents via United Parcel Service (UPS) to the Immigrant Visa Unit, American Embassy in Ankara at least 10 days before their appointment date.**

The local UPS phone number is (312) 444 0033. The address of the American Embassy is Immigrant Visa Unit, American Embassy, 110 Ataturk Blvd. Kavaklıdere, Ankara 06100 Turkey.

**STEP 1** Obtain required documents listed.

**STEP 2** Contact your local UPS office and courier the documents listed in paragraph **"REQUIRED DOCUMENTS"**

### **PROCESSING OF DIVERSITY IMMIGRANT VISAS**

Upon receipt, each application will be reviewed. Failing to provide the required documentation will cause delay in processing your visa during the interview date. Applicants who received an appointment letter from the Kentucky Consular Center (KCC) should arrive promptly for their scheduled interview.

Some Turkish applicants and all Iranian applicants require extensive security checks prior to issuance of the visa. These checks generally take between six to eight weeks or longer. No visa can be issued until all clearances are received.

Once everything is in order, the diversity immigrant visa will be issued and sent to the applicant's address in Turkey via **USP**.

You will be required to pay the special DV processing fee of \$375.00 and the application fee of \$335.00 and \$45.00 surcharge at the time of your interview (total of \$755.00 per person). The payment may be made in cash or by credit card to the consular cashier. Visa, Mastercard, American Express, Novus/Discover and Diners cards are acceptable. Personal checks and credit card numbers provided verbally or in writing are not accepted.

**2. MEDICAL REPORT:** Before their final immigrant visa interview, all applicants are required to undergo a medical examination performed by one of several medical doctors authorized by this Embassy to administer the examination. Beneficiaries are responsible for making their own arrangements for the medical examination with any of the physicians listed on the attached medical information sheet. The beneficiary is also responsible for the cost of the examination. A medical examination is also required for each accompanying child. **Do not send the results of your medical examination to this office before your interview.** You will be required to submit your medical report to this office at the time of your interview. **Do not bring x-ray film to the Embassy.**

## MOST IMPORTANT

No assurance can be given in advance that a visa will be issued. A consular officer can make a decision only after the formal application and all documents are reviewed, and that officer has personally interviewed the applicants.

**IMPORTANT:** Beneficiaries should not make any travel arrangements for departure, dispose of personal property or make other life changes until the visa has been issued. An immigrant visa is usually valid for a maximum of six months from the date of issuance. Applicants must travel and apply for admission to the United States within that 6-month period.

This office will make every effort to expedite the process. However should complications arise, applicants may be required to return to this office or furnish additional information.

Any child age 16 or older who is included on his or her parents' passport but whose photograph is not included in such passport must obtain a separate passport.

### IMPORTANT NOTICE CONCERNING VACCINATION REQUIREMENTS:

United States Immigration Law requires immigrant visa applicants to obtain certain vaccinations (listed below) prior to the issuance of an immigrant visa. Instructions and procedural guides direct panel physicians who conduct immigrant visa medical examinations to verify that applicants have met the vaccination requirement, or that it is medically inappropriate for the visa applicant to receive one or more of the listed vaccinations: *Mumps, Measles, Rubella, Polio, Tetanus and Diphtheria Toxoids, Pertussis, Influenza Type B (HIB), Hepatitis B, Varicella, Pneumococcal, and Influenza.*

In order to assist the panel physician, and to avoid delays in the processing of an immigrant visa, all immigrant visa applicants should have their vaccination records available for the panel physician's review at the time of the immigrant medical examination. Visa applicants should consult with their regular health care provider to obtain a copy of their immunization record, if one is available. If you do not have a vaccination record, the panel physician will work with you to determine which vaccinations you may need to meet the requirement. Certain waivers of the vaccination requirement are available upon the recommendation of the panel physician. Only a physician can determine which of the listed vaccinations are medically appropriate for you, given your age, medical history and current medical condition.

**If you are fifteen (15) or older, a blood test for antibodies developed in response to infection by the Human Immunodeficiency Virus (HIV) is required. HIV is the virus that causes the Acquired Immune Deficiency Syndrome (AIDS). AIDS is the name given to a group of illnesses, which may occur in persons infected with HIV. HIV infection causes a defect in a person's natural immunity against disease. Victims are highly vulnerable to serious illnesses. This test is not to diagnose AIDS, but to detect antibodies to the virus. If the result is positive, it does not necessarily mean that you have AIDS or will get it. The results of your test will be provided to a consular officer. Also, it may be necessary to report results to the health authorities in this country. A positive test result will mean that you will not be eligible to receive a visa. A positive test result may also carry other consequences related to your day-to-day activities in this country.**

## POLICE CERTIFICATE

Police certificates are required for each visa applicant aged 16 years or older. Generally, you must apply for these certificates directly from police authorities in the district in which you reside. You must submit a police certificate from the country in which you currently live (if you have lived there for more than six months). If you lived in a different country for more than 12 months after the age of 16, you must also submit a police certificate from that country. If you were arrested or convicted of a crime in a country, regardless of your age at the time the crime took place, or how long you resided in that country, you must submit a police certificate from that country. The police certificate must cover the entire period of the applicant's residence in that area, and state what the appropriate police authorities records show concerning each applicant, including all arrests, the reason for the arrest(s), and the disposition of each case in which there is a record.

Present and former residents of the United States should NOT obtain police certificates covering their residence in the U.S.

**Police certificates are required from Turkey.** Turkish nationals should contact the closest "Cumhuriyet Savcılığı" (Public Prosecutors Office) to obtain Turkish police certificates. Police Certificates from Turkey are known as "Adli Sicil Kaydı". **IMPORTANT:** When requesting the police certificate (adli sicil kaydı), applicants must specifically request that both the current and archived records be shown on the document.

Police certificates are not required from Iran, or any country on the following list:

An applicant for an immigrant visa may generally satisfy this requirement of the law by the presentation of documentary evidence establishing that:

4. Proof of income from business investments or other sources.

If the financial resources are derived from a source outside the United States, a statement as to how the funds or income are to be transferred to the u.S. must be provided.

Sponsors may also elect to furnish a statement in the form of an affidavit sworn to before a notary public or other official competent to administer an oath, setting forth his or her willingness and financial ability to contribute to the applicant's support and reasons, in detail, for sponsoring the applicant.
