

Watching Movies Part 2 (Adv.) About this lesson

In this lesson you will learn how to:

- Ask someone to do something with you over the weekend
- State what you'd like to do using colloquial language
- Plan to buy tickets for the movies

What do you wanna do?

In spoken conversation, Americans commonly pronounce "want to" as "wanna":

Do you wanna do something this weekend?

این آخر هفته می خوای کاری بکنی ؟

What do you wanna do?

می خواهی چی کار کنی؟

Do you wanna go see a movie with me?

مى خواهى بريم فيلم ببينيم ؟

If you're free this weekend we should go see a movie!

اگر این آخر هفته برنامه نداری، باید بریم فیلم ببینیم!

I feel like seeing a movie

I feel like going and seeing a movie.

What do you feel like seeing?

دوست داری چی ببینی ؟

I feel like seeing something fun, nothing too serious or boring.

Does that sound good to you?

اون به نظرت خویه ؟

Is anything good coming out?

Just like "want to" becomes "wanna," "going to" nearly always becomes "gonna":

```
My friend and I are gonna see something. من و دوستم قصد داریم بریم یک فیلمی ببینیم .
```

Oh yeah? What are you gonna see? راستي ؟ ميخواهيد چي ببينيد؟

I don't know, what's out?
نمی دونم ، الآن چی روی پرده است؟

Is anything good coming out?

• هیچ چیز خوبی نشان میدن

Tickets online

I like to buy tickets in advance online.

That way you don't have to wait in line.

You can get tickets before they sell out.

Then you can just pick them up at the theater.

Why not?

Why don't you go more often?

Well I would go more often but ticket prices are ridiculous.

It's way too expensive, ticket prices are outrageous.

If they'd lower the price of tickets maybe I'd go a little more!

It's worth it

Some movies are worth seeing in theaters.

For epics and action flicks, it's totally worth it to see them in theaters.

```
ارزشش را دارد که آدم فیلم های زدو خوردی و حماسی را در سینما ببیند .
```

Some movies are worth paying to see on the big screen.

ارزشش را دارد که آدم برای دیدن بعضی فیلم ها روی پرده بزرگ پول بدهد

Even though ticket prices are outrageous, it's totally worth it if it's something you really want to see. مرچند قیمت بلیط خیلی بالا ست، اما اگر فیلمه چیزی است که واقعا دوست داری ببینی ، ارزشش را دارد.
