

# A Disastrous Flight (Adv.)

## **About this lesson**

In this lesson, you'll learn:

- -How to talk about hypothetical events
- How to describe a disastrous travel experience
- How to use the English conditional

## **Profiling**

I was late to my flight because security thought I looked suspicious! ديرم شد براى پروازم چون بازرس امنيتى به نظرش من مشكوك مى اومدم!

I wonder how they decide who looks suspicious and who doesn't.

I wonder if they search people who they think look Muslim.

```
از خودم می پرسم آیا اونا افرادی که به نظر مسلمان هستند بازرسی می کنند .
```

If they really choose people based on how they look, I wonder why they would have searched my grandmother.

I wonder if I looked different whether they would have searched me.

#### An insane security line

The security line was insane!

If I'd known security was going to be so bad, I would have come earlier.

But even if I'd arrived four hours early, I still would never have made my flight.

Maybe if they hadn't searched everyone, I wouldn't have been so late.

```
شاید اگر اونا همه رو نمی گشتن، من اونقد دیر نمی رسیدم.
```

Maybe security would have been smoother if that guy in front of me had paid attention to the rules.

منابد باز رسی بهتر بیش می رفت اگه اون آقا که جلو ی من بو د به مقر رات توجه کر ده بود.

# Missed my flight

I ended up missing my flight! آخرش پروازمو از دست دادم!

I should have given myself plenty of time to get through security.

```
باید به خودم وقت بیشتری برای عبور از بازرسی می دادم .
```

I should have checked in online before I got there so I wouldn't have had to wait in line.

```
باید قبل از رفتن از روی اینترنت کارت پرواز می گرفتم که این همه تو صف منتظر نمی موندم.
```

I should have told my cab driver to take the freeway so we wouldn't have hit traffic.

```
باید به راننده تاکسی می گفتم از اتوبان بره که به راه بندان نمی خوردیم .
```

## My flight was overbooked

My flight was overbooked, so they offered me a voucher.

```
در پرواز من بليط از تعداد صندلي ها بيشتر فروخته شده بود، بنابر اين به من كوپن دادند .
```

I thought about taking it, but I figured I'd never use it anyway.

I would have considered it, but all the best times to travel are always blacked out.

```
در نظرش میگرفتم ، ولی همیشه بهترین وقتهای پرواز قابل تخفیف نیست .
```

The voucher would be a deal, except that they put so many restrictions on those things.

```
واچر معامله خوبی بود، فقط خیلی روش محدودیت میگذارند
```

I didn't think the flight would be so full in the off-season, but I ended up getting bumped.

```
فكر نمى كردم پرواز هواپيما خارج از فصل اينقدر پرباشه، اما آخرش هم به من نرسيد و جا موندم .
```

# I missed my connection

My flight was delayed, so I missed my connection!

```
یروازم تاخیر داشت و من هوابیمای دوم را از دست دادم!
```

I wish they had at least been honest with us, instead of telling us it would only be "another thirty minutes."

```
ای کاش به جای اینکه به ما بگن فقط نیم ساعت طول میکشه، حداقل با ما صادق بودند
```

I wish they had called the gate to tell them I was going to be late, so I would have made it in time.

```
ای کاش اونا به محل ورودیه هواپیما خبر می دادن که من دیر می رسم، که می تونستم به موقع برسم .
```

I wish I had made my connecting flight, so I wouldn't have had to stay in that seedy hotel for the night.

# They lost my bags

```
They lost my bags! ! ساکامو گم کردن
```

```
Next time I'll remember to put ID tags on them. دفعه بعد به خاطر می سپارم که مشخصاتمو بذارم روشون.
```

Next time I'll make sure to carry my bags on the airplane. . دفعه بعد حتماً ساکامو با خودم می برم داخل هو اپیما

Next time I won't check bags that have valuables in them.
م دفعه بعد ساکهایی که چیز های گرون قیمت توشه به بار نمی دم.

Next time I'll remember to pack lighter.
. من المناه عند به خاطر می سیارم سبک تر بسته بندی کنم
