

# Watching Movies Part 1 (Adv.) About this lesson

In this lesson you will learn how to:

- Talk about what you did last weekend using colloquial language
- Discuss when movies come out on DVD
- Express preferences for renting and downloading movies

#### What did you do last weekend?

You can find out someone's interests and hobbies by asking what they did over the weekend:

What did you do last weekend? آخر هفته چه کار کردی؟

Did you do anything fun over the weekend? 

ا اخر هفته چه کار ای جالبی کر دی

Did you go to the movies last weekend? إخر هفته رفتي سينما

## I stayed in

I didn't feel like going out last weekend.

I decided to stay in and watch a movie.

Sometimes I just like staying in on the weekend.

So I rent or download a movie, and watch it at home.

#### Renting

One of the most popular ways to watch movies in the US is by renting them from a video store.

I like renting movies and watching them at home.

```
Like being able to watch movies in the comfort of my own home.

وست دارم فیلم کرایه کنم و در خانه تماشا کنم .

I like being able to watch movies in the comfort of my own home.

وست دارم بتونم در فضای راحت خونه خودم فیلم تماشا کنم .

It's cheaper than going to the movie theater too!
```

#### Just came out

از رفتن به سالن سینما ارزان تر هم هست

You can use "to come out" when talking about any product that's new to the market, including DVDs, but also cell phones, mp3 players, etc.:

```
My favorite movie of the year just came out on DVD!

فیلم سال مورد علاقه ام تازگی روی دی۔وی۔دی آمده به بازار!

Did you hear about the new cell phone that's coming out soon?

در باره این موبایل که قراره به زودی در بیاد چیزی شنیدی؟

The new laptop just came out, have you seen it yet?

لپ تاپ جدیدی که تازه در اومده ؟ دیدیش ؟
```

### **Downloading**

With the increased use of the internet all over the world, it's becoming more common to pay for and download movies online:

```
I like downloading movies because it's convenient and pretty cheap. دانلود کردن فیلم و دوست دارم چون راحت و خیلی ارزانه.

I like downloading movies because it's easy and fast. دانلود کردن فیلم و دوست دارم چون آسان و سریعه.

You just have to make sure you pay and do it legally. خاطر جمع شو که پولشو میدی و قانونی دانلود می کنی .

You can get in really big trouble if you download movies for free. ممکنه به خاطر دانلود مجانی فیلم، تو دردسر واقعاً بزرگی بیافتی .
```
