DV-2010 Entrant Status Check

Dear Selectee,

Based on the information and confirmation number provided, you should have received a letter by mail from the United States Department of State's Kentucky Consular Center (KCC) notifying you that your Diversity Visa entry was selected in the DV-2010 lottery.

If you have not received a letter instructing you how to proceed by August 1, 2009, please contact KCC by email at kccdv@state.gov.

Please remember that you do not have to pay until you apply for a visa at a U.S. consulate or embassy. The U.S. government will not ask you to send money by mail or by courier service.
