### Follow-up Documents Request

Select the applicants that the request is for.

Applicant Name	Passport Number	Case number

Confirm that the Consular Section has instructed the selected applicant(s) to complete a follow-up action.

Submitting a follow-up action request for an applicant who has not completed a visa application (by interview or courier) and received Consular instructions is considered an attempt to commit fraud and will have a serious negative impact on the applicant's visa application record.

projected length and cost of treatment (including medical fees, transportation fees, and an anticipated expense).

- Proof that the patient's transportation, medical, and living expenses in the United States will be paid. This may be in the form of bank or other statements of income/savings or certified copies of income tax returns (either the patient's or the person or organization paying for the treatment).

The following documents may be useful in support of your visa application:

- Intention to depart the United States upon completion of your travel.
- Sufficient funds to cover all expenses while in the United States.
- Evidence that you have significant ties to the country to which you intend to return at the end of your stay in the United States (This is generally established by evidence of family, professional, property, employment or other ties and commitments to a country other than the United States.)

#### Visa Issuance Fee (Reciprocity Fee)

Depending on the applicant's country of citizenship and the visa type, the applicant may also be required to pay an additional fee for visa issuance, known as a reciprocity fee. Detailed information about reciprocity fees can be found at <http://travel.state.gov/content/visas/english/fees/reciprocity-by-country.html>
